Mode of Payment

The participants are requested to deposit registration fee **through bank transfer only (Preferably through their own Bank Account)** and send the online transaction details to the organizers. Electronic bank transfer details are as under:

Account Name	AME-2020	AISCT-2020	ACFBT-2020
Account Number	3770317464	3773781038	3773780953
Bank	Central Bank of India, SLIET, Longowal, Sangrur, Punjab-148106, INDIA		
Swift Code	CBININBB		
IFSC Code	CBIN0283105		
MICR Code	148016003		
Branch Code	83105		

One paper could be contributed on a single registration. However, authors can register for maximum one more paper by paying additional 50% of registration fee. The registration fee includes registration kit, copy of conference proceeding, breakfast, lunch, dinner and session tea. The 'pick and drop' facility from Chandigarh airport and local transportation will be provided to foreign delegates on request. The local transportation will be provided to the Indian delegates.

Accommodation

Registration fee also covers accommodation charges for students delegates (Indian & Foreign) inside the institute campus on first come first serve basis subject to availability on prior information (atleast 15 days before the commencement of conference). However limited accommodation is available for other delegates at SLIET, campus on payment basis. Suitable hotel accommodation on nominal rates is available at the nearby places viz. Sangrur, Barnala, Sunam and Dhuri. The details are available at the conference website. <https://slietcon.org/accommodation>

Visa Requirements

Overseas delegates who require Indian Visa for participation are requested to contact the organizers in advance for guidance and invitation letter.

SLIET *i*CON 2020

A Multi-Track International Conference

Under TEQIP-III (Twinning Program)

Track I

International Conference
on
"Advances in
Mechanical Engineering
(AME- 2020)"

Track II

International Conference
on
"Advances in Soft
Computing Techniques
(AISCT-2020)"

Track III

International Conference
on "Advances in
Chemical, Food and
Bioprocess Technology
(ACFBT-2020)"

February 26 - 29, 2020

Organized by

Sant Longowal Institute of Engineering and Technology

Deemed to be University, CFTI under MHRD, Government of India
Longowal, Sangrur (Punjab) India - 148 106

About SLIET

Sant Longowal Institute of Engineering and Technology (SLIET) is a Centrally Funded Technical Institution (Deemed to be University) set up by MHRD, Government of India, with an aim to achieve technological excellence through innovation. It caters to the technical manpower requirements at various levels by adopting a new concept of modular system in imparting technical education with emphasis on practical training in industry. It offers the Integrated Certificate Diploma (ICD), B.E., M.Tech., M.Sc., MBA and Ph.D. in various disciplines of Engineering, Technology, Science, Humanities and Management. SLIET shall strive to act as an international podium for the development and transfer of technical competence in academics through formal and non-formal education, entrepreneurship and research to meet the changing needs of society. The institute has a sprawling area of 447 acres of land. The campus of the institute extends a beautiful and well developed lush green area with many topographically featured picturesque landscapes, numerous buildings of various nature and stature. The campus presents a spectacle of harmony and natural ecosystem. The institute is situated at the outskirts of Longowal and is around 8 km from Sangrur-Barnala Highway. The Institute is connected by road with Sangrur (18 km), Barnala (25 km), Patiala (75 km), Ludhiana (90 km), Chandigarh (140 km) and Delhi (270 km). The nearest railway stations are Sangrur (18 km), Sunam (16 km) and Dhuri (32 km) and the nearest international airports are Delhi (270 km) and Chandigarh (130 km).

The institute has well established departments

- Electronics & Communication Engineering
- Electrical & Instrumentation Engineering
- Computer Science & Engineering
- Food Engineering & Technology
- Management and Humanities
- Mechanical Engineering
- Chemical Engineering
- Civil Engineering
- Mathematics
- Chemistry
- Physics
- Disability Studies

About SLIETiCON 2020

SLIETiCON-2020, a Multi-Track International Conference is being organized by Sant Longowal Institute of Engineering and Technology (SLIET), Longowal during February 26-29, 2020. The aim of the conference is to provide a huge international podium to do extensive deliberations on latest development in the areas of Engineering and Technology which will be useful to academia, industry and society at large. Special tracks of SLIETiCON-2020 are

Track I International conference on “Advances in Mechanical Engineering (AME-2020)” organized by Department of Mechanical Engineering.

Track II International Conference on “Advances in Soft Computing Techniques (AISCT-2020)” organized by Department of Electrical and Instrumentation Engineering, Computer Science and Engineering, Electronics and Communication Engineering.

Track III International Conference on “Advances in Chemical, Food and Bioprocess Technology (ACFBT-2020)” organized by Department of Chemical Engineering and Department of Food Engineering and Technology.

Call for Papers

Authors are invited to submit their original, unpublished and quality research papers on one of the broad themes (but not limited to) listed for AME-2020, AISCT-2020 and ACFBT-2020. The broad themes will be covered with interaction through plenary sessions, invited lectures, paper presentations and poster sessions. There will be best paper awards in oral and poster presentations in different categories. (Refer www.slietcon.org)

Important Dates

Submission of full paper : December 15, 2019
Acceptance notification of full paper : December 25, 2019
Revised paper Submission : January 15, 2020

Submission of Papers

Authors are requested to submit full length paper online through EasyChair Link

AME-2020 : <https://easychair.org/conferences/?conf=ame20200>

AISCT-2020 : <https://easychair.org/conferences/?conf=aisct2020>

ACFBT-2020 : <https://easychair.org/conferences/?conf=acfbt2020>

While submitting manuscript, appropriate format must be followed.

For more details, kindly visit website: www.slietcon.org.

Publication Opportunity

Selected peer reviewed quality papers presented in the conference shall be published in reputed journals/books in respective subject domain. All other accepted and presented manuscripts will be published in the conference proceedings.

*Name of journals can be seen at www.slietcon.org

For more details kindly visit website: www.slietcon.org

(Guidelines for manuscripts preparation is available on website)

"Together we can make a difference"

Tourism Near the Venue of Conference

Sant Longowal Institute of Engineering and Technology, Longowal is about 140 km from Chandigarh "The City Beautiful"; 205 km from Home of the glorious Golden Temple, the Iconic city of Amritsar; 260 km from Shimla "The Queen of the Hills"; 275 km from New Delhi "The National capital of India"; 350 km from Dharamsala, a true global village and the second winter capital of Himachal Pradesh; 410 km from Manali, a gift of the Himalayas to the world; 470 km from Agra, "The city of Taj Mahal"; and 480 km from Jaipur, "The Pink City".
